Re: Commercial Amendment Placed on File at the Commission

Dear Mr. Derouen:

Please find enclosed an electronic receipt notification for the following:

- 1) The Amendment to extend the expiration date to December 31, 2017 and update the terms in the commercial agreement between AT&T Kentucky and Granite Telecommunications, LLC.

This document was filed with the Commission on October 7, 2014.

Pursuant to the Commission's Order issued on December 12, 2007, in *In re: Petition to Establish Docket to Consider Amendments to Interconnection Agreements Resulting from Changes of Law*, Case No. 2004-00427, this filing is being solely made pursuant to the Commission's Order and is not a request by AT&T Kentucky for approval of the commercial agreements and amendments by this Commission. This Amendment (the "Amendment") amends the Local Wholesale Complete Commercial Agreement executed as of December 28, 2011 ("LWC Agreement") by and between BellSouth Telecommunications, LLC d/b/a AT&T Alabama, AT&T Florida, AT&T Georgia, AT&T Kentucky, AT&T Louisiana, AT&T Mississippi, AT&T North Carolina, AT&T South Carolina, and AT&T Tennessee; Illinois Bell Telephone Company d/b/a AT&T Illinois, Indiana Bell Telephone Company Incorporated d/b/a AT&T Indiana, Michigan Bell Telephone Company d/b/a AT&T Michigan, Nevada Bell Telephone Company d/b/a AT&T Nevada and AT&T Wholesale, The Ohio Bell Telephone Company d/b/a AT&T Ohio, Pacific Bell Telephone Company d/b/a AT&T California, Southwestern Bell Telephone Company d/b/a AT&T Arkansas, AT&T Kansas, AT&T Missouri, AT&T Oklahoma, AT&T Texas and Wisconsin Bell, Inc. d/b/a AT&T Wisconsin ("AT&T") and Granite Telecommunications, LLC ("CARRIER"), hereinafter referred to collectively as the "Parties" and individually as a "Party", and shall apply in the state(s) of Alabama, Florida, Georgia, Kentucky, Louisiana, Mississippi, North Carolina, South Carolina and Tennessee.

WHEREAS, the Parties acknowledge and agree that the provisions set forth in this LWC Agreement are not subject to and/or required by the Communications Act of 1934, as amended ("Act") including, without limitation, Sections 251/252 of the Telecommunications Act of 1996 and any regulation or rule of the FCC or any state commission, and are not subject to negotiation and/or arbitration under Section 252 of the Act unless both Parties otherwise agree in a writing signed by both Parties.

WHEREAS, the Parties desire to extend the term of the LWC Agreement and make additional changes as set forth below.

NOW, THEREFORE, in consideration of the promises and mutual agreements set forth herein, the Parties agree to amend the LWC Agreement as follows:

- 1.0 This Amendment is composed of the foregoing recitals, the terms and conditions, contained herein, and Exhibits A and B immediately following, all of which are hereby incorporated in this Amendment by this reference and constitute a part of this Amendment.
- 2.0 Section 8.2.1 and 8.2.2 of the General Terms and Conditions of the LWC Agreement is hereby amended and restated as follows:
 - 8.2.1 Unless terminated for breach (including nonpayment), the term of this Agreement shall commence upon the Effective Date of this Agreement, as defined in Section 15.0 below, and shall expire on December 31, 2017 (the "Term"). Upon expiration of the Term ("Expiration Date"), absent receipt of Notice of Termination or Notice of Expiration by either Party, this Agreement shall continue month-to-month. If the Agreement continues to survive on a month-to-month basis, either Party may terminate the Agreement by providing

Notice of Termination. Such Notice of Termination provided under this Section 8.2.1 must be provided with at least thirty (30) days advance notice of the date the Agreement will terminate ("Termination Date"), unless both Parties otherwise agree to extend the term in writing through an amendment to this Agreement. To the extent services exist after the Expiration Date (including any services that exist beyond the Termination Date,) the rates and terms for such services shall be the rates and terms for services in effect as of the Expiration Date, except such rates may be raised or lowered at any time by AT&T upon sixty (60) days' prior Notice.

8.2.2 Either on or following the Termination Date of this Agreement, if the Parties have not entered into a new agreement, neither Party should have any further obligation under this Agreement in such state (or states) except that:

8.2.2.1 Each Party's confidentiality obligations shall survive; and

8.2.2.2 Each Party shall promptly pay all amounts (including any late fees as applicable) owed under this Agreement:

8.2.2.2.1 as provided in Section 38.0 below, Survival; and

8.2.2.2.2 as may be provided elsewhere in this Agreement (including the Attachments).

3.0 Section 8.6 of the General Terms and Conditions of the LWC Agreement is hereby replaced with the following:

8.6 Termination of Agreement :

8.6.1 Where CARRIER has no End Users or is no longer purchasing any services under this Agreement, either Party may terminate the Agreement by providing a "Notice of Termination" to the other Party. Such Notice of Termination shall be provided no earlier than one hundred eighty (180) days before the Expiration Date and may not specify termination before the Expiration Date unless mutually agreed to by the Parties. After termination the Parties' liability under this Agreement shall be limited to obligations contained in Section 8.0 and under Section Survival 38.0 below contained herein.

8.6.2 Where CARRIER has End Users and/or is purchasing products and/or services under this Agreement, either Party may seek to terminate this Agreement by providing a Notice of Termination. Such Notice of Termination shall be provided no earlier than one hundred eighty (180) days before the Expiration Date and may not specify termination before the Expiration Date unless mutually agreed to by the Parties. CARRIER shall cooperate in good faith to effect an orderly transition of service under this Agreement. CARRIER shall be solely responsible (including from a financial, operational and administrative standpoint) to ensure that its End Users are transitioned to a new Local Exchange Carrier or to other AT&T wholesale services prior to the termination date of this Agreement. However, the failure to develop a transition plan shall not constitute a breach of this Agreement.

8.6.3 The rates, terms and conditions of this Agreement shall continue in full force and effect, except as provided in Section 8.2.1, until the Termination Date. For avoidance of doubt, nothing in this Agreement obligates AT&T after the Termination Date to continue to offer or provide any services and/or product that were provided under this Agreement.

8.6.4 In any event, except as otherwise specifically provided in this Agreement, AT&T shall be under no obligation to provision any products and/or services pursuant to this Agreement as of and after the Termination Date.

8.6.5 If at any time within one hundred and eighty (180) days prior to expiration of the Term, but in no event less than 120 days, either Party serves "Notice of Expiration," (a) in the event CARRIER serves the Notice of Expiration, CARRIER shall indicate if CARRIER wished to pursue negotiation of a successor agreement (and identify each of the state(s) to which the successor agreement will apply) or terminate its Agreement in such notice and AT&T-22STATE shall have ten (10) calendar

days to provide CARRIER written confirmation to the Notice of Expiration indicating if AT&T-22STATE wishes to pursue a successor agreement with CARRIER or terminate the Agreement and (b) if AT&T-22STATE serves the Notice of Expiration, CARRIER shall have ten (10) calendar days to provide AT&T-22STATE written confirmation to the Notice of Expiration indicating if CARRIER wishes to pursue a successor agreement with AT&T-22STATE or terminate its Agreement. If CARRIER wishes to pursue a successor agreement with AT&T-22STATE, CARRIER shall attach to its written confirmation or Notice of Expiration, a written request to commence negotiations with AT&T-22STATE and identify each of the state(s) to which the successor agreement will apply. The failure of either Party to notify the other of expiration does not preclude the Parties from providing a Notice of Termination as provided in Sections 8.6.1 and 8.6.2. Upon receipt of CARRIER's request and if AT&T accepts CARRIER's request, the Parties will commence good faith negotiations for a successor agreement. If the Parties have not executed a new Agreement within sixty (60) days prior to the Expiration Date of this Agreement (i.e., December 31, 2017), negotiations for a new agreement shall cease unless otherwise mutually agreed to by the Parties, and the Parties shall develop a transition plan to move the services to a different Carrier or to other AT&T-22STATE wholesale services; provided however, that the failure to develop a transition plan shall not constitute a breach of this Agreement. In the event the Parties are unable to agree upon a transition plan, AT&T may, at its discretion, disconnect all or any of the services at any time after December 31, 2017. Notwithstanding anything to the contrary contained in this Section 8.6.5, the negotiation of a successor agreement and a Parties right to so request may be modified by the written agreement of the Parties in connection with any migration plan as set forth in Section 5.5.1.4.

4.0 Section 4.3 of Attachment 2 – Local Wholesale Complete of the LWC Agreement is hereby added as follows:

4.3 Remote Call Forwarding

4.3.1 As an option, AT&T SOUTHEAST REGION 9-STATE shall make available to CARRIER an LWC class of service with Remote Call Forwarding capability ("RCF"). RCF service allows an End User to forward calls from the RCF service telephone number (i.e., the number dialed by the calling party) to another telephone number selected by the RCF service subscriber (Forward-to-Number). When ordering RCF service, CARRIER will ensure that the following conditions are satisfied:

4.3.1.1 The End User of the Forward-to-Number agrees to receive calls forwarded using the RCF service (if such End User is different from the RCF service End User);

4.3.1.2 The Forward-to-Number is equipped with sufficient capacity to receive the volume of calls that will be generated from the RCF service;

4.3.1.3 The Forward-to-Number is not a public safety number (e.g., 911, fire or police number).

4.3.1.4 The Forward-to-Number may not be an international number.

4.3.2 In addition to the nonrecurring and monthly recurring charges for RCF, AT&T SOUTHEAST REGION 9-STATE shall charge CARRIER the rates set forth in the AT&T SOUTHEAST REGION 9-STATE pricing schedule for End Office Switching, Tandem Switching, and Common Transport, including all associated usage incurred for calls from the RCF service telephone number to the Forward-to-Number.

5.0 Section 5.5 of Attachment 2 – Local Wholesale Complete of the LWC Agreement is hereby added as follows:

5.5 Local Wholesale Complete Sunset

5.5.1 CARRIER acknowledges and understands that LWC is a wholesale service provisioned using time division multiplexing ("TDM") facilities and services, and that AT&T has publicly announced its intention to move all customers from TDM-based services. For avoidance of doubt, the foregoing does not mean that AT&T is committing that LWC will be available through the Term of this Agreement.

- 5.5.1.1 Notwithstanding that this Agreement may commit AT&T to provide LWC to CARRIER for the Term, and subject to any regulatory requirements, AT&T may discontinue providing LWC upon at least three hundred and sixty five (365) days notice (“Discontinuance Notice”), but only where AT&T generally (i) discontinues providing LWC to similarly-situated customers, and (ii) has available one or more wholesale local services that include a voice component (for clarity, this (ii) does not require such voice service to be available to all of CARRIER’s LWC-served customers). AT&T shall not in any event issue a Discontinuance Notice prior to September 30, 2016, except with respect to any geographically discrete area in which AT&T TDM-based wireline local voice services are being discontinued as part of a TDM-to-IP transition trial subject to oversight of the FCC or Commission.
- 5.5.1.2 AT&T may provide a Discontinuance Notice(s) to CARRIER in advance of fulfilling any regulatory requirements and, if so, the timing of such discontinuance shall occur in accordance with the regulatory requirements, but not earlier than as set forth in such notice. CARRIER acknowledges and understands that discontinuance may be tested first and/or implemented on a geographically discrete basis (e.g., by wire center) and/or staged basis (e.g., not flash cut within any geographic area). Therefore, there may be multiple Discontinuance Notices and Discontinuance Dates. The date(s) on which LWC shall be discontinued as set forth in a Discontinuance Notice(s) is referred to as a “Discontinuance Date(s)”.
- 5.5.1.3 AT&T shall no longer accept orders for new LWC lines or moves of or changes to existing LWC lines beginning ninety (90) days prior to the Discontinuance Date(s). The Parties shall cooperate in good faith in negotiating an agreement for replacement products and scheduling and effecting the transition from LWC so that CARRIER no longer has any LWC lines on or prior to a Discontinuance Date as set forth in a Discontinuance Notice.
- 5.5.1.4 The Parties shall engage in good faith discussions to negotiate an agreement for replacement products and establish a migration plan for CARRIER’s embedded base of LWCALs to move to comparable non-TDM replacement products. The migration plan shall be completed by December 31, 2016.
- 5.5.2 Notwithstanding anything else in the Agreement, the following AT&T SOUTHEAST REGION 9-STATE complex LWC services have been grandfathered such that only disconnect orders are being accepted and any remaining such complex LWC services will be disconnected on February 1, 2015:
- 5.5.2.1 Foreign Exchange/Foreign Central Office – Business (“FX/FCO – Bus”)
 - 5.5.2.2 Foreign Exchange/Foreign Central Office – PBX (“FX/FCO – PBX”)
 - 5.5.2.3 Foreign Exchange/Foreign Central Office – Residence (“FX/FCO – Res”)
 - 5.5.2.4 Digital Direct Integration Termination Service
 - 5.5.2.5 4-Wire Digital Loop with Channelization with Port
 - 5.5.2.6 ISDN-BRI – Business
 - 5.5.2.7 ISDN-BRI – Residence
 - 5.5.2.8 PBX/DID with Call Locator
 - 5.5.2.9 ISDN-PRI with Call Locator
 - 5.5.2.10 PBX – Residence
 - 5.5.2.11 Centrex

- 6.0 Upon the effective date of the amendment to the Interconnection Agreement(s) between the Parties in each state covered by this Agreement addressing traffic compensation as discussed herein, Sections 12.1 and 12.5 of Attachment 2 – Local Wholesale Complete of the LWC Agreement are hereby replaced with the following:

- 12.1 For purposes of traffic compensation matters, CARRIER and AT&T-22STATE agree that CARRIER shall be considered a facilities-based local exchange carrier in its use of LWC and LWCALs in the same manner as if CARRIER were using the "Unbundled Network Element-Platform" or "UNE-P" (as such has been understood by the Federal Communications Commission) to provide local telephone service to the LWC End Users. Traffic compensation between CARRIER and AT&T-22STATE is not addressed in this Agreement (including without limitation this Attachment). CARRIER shall be responsible for any and all compensation owed for traffic originating from or terminating to CARRIER's LWCALs. Traffic compensation between CARRIER and AT&T is addressed in the applicable Interconnection Agreement.
- 12.5 Notwithstanding any other provision of the Agreement including without limitation this Attachment, LWC shall not be available in any state within AT&T-22STATE until there is an agreement effective between the Parties for that state which addresses the intercarrier compensation associated with LWC-originated or terminated traffic which is subject to Section 251 and/or Section 252 of the Act.
- 7.0 Section 12.6 of Attachment 2 – Local Wholesale Complete of the LWC Agreement is hereby removed.
- 8.0 Section 14.1 of Attachment 2 – Local Wholesale Complete of the LWC Agreement is hereby replaced with the following:
- 14.1 CARRIER shall be required to achieve an Annual Spend Commitment (ASC) of forty one million dollars (\$41,000,000) in 2015 and thirty-six million dollars (\$36,000,000) in 2016 and 2017 during the term of the Agreement as set forth in Section 14.2 and subject to the terms and conditions specified herein, including, but not limited to, Section 14.6 relating to ASC adjustments. If the contract continues beyond 2017 on a month-to-month basis, then revenue commitments for the timeframe beyond 2017 shall be negotiated and incorporated into this Agreement.
- 9.0 Section 14.6 of Attachment 2 – Local Wholesale Complete of the LWC Agreement is hereby added:
- 14.6 In the event LWC is discontinued within a certain geographical area as described in Section 5.5.1.1, the ASC and LWCALs necessary to achieve Volume Discounts will be reduced to account for the amount of revenue and LWCALs that would have been achieved in the normal course of business if LWC had not been discontinued within the impacted area.
- 14.6.1 The following describes the calculation of the ASC reduction. The same method and formulae will be used to calculate the reduction of LWCALs necessary to achieve Volume Discounts.
- 14.6.1.1 Actual LWC revenue eligible for the ASC up through the last full month before the Notice of Discontinuance shall be included in the ASC. Actual LWC revenue generated within the impacted area during the month the Notice of Discontinuance is sent to CARRIER and all subsequent months shall not be counted toward the ASC. This ASC reduction will be calculated as follows:
- 14.6.1.2 A projection of the monthly LWC revenue eligible for the ASC in the discontinued geographic area shall be calculated using the last six (6) months (prior to the Notice of Discontinuance) of actual LWC revenue. Using the last six (6) months (prior to the Notice of Discontinuance) an average growth rate will be calculated. The average growth rate will then be multiplied by the last full month's (prior to the Notice of Discontinuance) actual LWC revenue to create the first projected month's LWC revenue. This will be done for each month remaining in the current ASC period and subsequent ASC periods, if applicable. For example (see the table below), if the Notice of Discontinuance was provided in month eight (8), actual and eligible LWC revenue from months one (1) through seven (7) would count toward the current ASC. The actual growth rate of actual and eligible LWC revenue in months two (2) through seven (7) shall be used to develop a projected growth rate for the remaining months for the current ASC and subsequent ASC periods. In the example this results in a rate of 11.3%, which is then multiplied by the last full month, month seven (7), to yield the first month's, month eight (8), projected LWC revenue. This shall be repeated for each remaining month in the current ASC period and subsequent ASC periods. In the example, actual LWC revenue within the current ASC

period is \$10,000 and forecasted eligible LWC revenue is \$13,253 for the discontinued area. Therefore, the overall ASC shall be reduced by \$13,253 for the current ASC period, and if additional ASC periods remain, additional ASC reductions will be calculated.

| Month | 1 | 2 | 3 | 4 | 5 | 6 | 7 | 8 | 9 | 10 | 11 | 12 | Total |
|------------------------|----------|----------|----------|----------|----------|----------|----------|----------|----------|---------|------------------------|----------|-----------|
| Actual Revenue | \$ 1,000 | \$ 1,100 | \$ 1,250 | \$ 1,400 | \$ 1,600 | \$ 1,750 | \$ 1,900 | | | | | | \$ 10,000 |
| Average Growth Rate | | 10.0% | 13.6% | 12.0% | 14.3% | 9.4% | 8.6% | | | | | | |
| Forecasted Growth Rate | | | | | | | 11.3% | 11.3% | 11.3% | 11.3% | 11.3% | 11.3% | |
| Forecasted Revenue | | | | | | | | \$ 2,115 | \$ 2,354 | \$2,620 | \$2,917 | \$ 3,247 | \$ 13,253 |
| | | | | | | | | | | | Overall ASC Reduction: | | \$ 13,253 |

14.6.1.3 In addition, the calculation for the Churn Discount will be adjusted to exclude the outward movement of LWCALs in the geographic areas specified in a Discontinuance Notice beginning when the Discontinuance Notice is issued.

- 10.0 Attachment 11 – Operator Services and Directory Assistance (OS/DA) of the LWC Agreement is hereby removed and replaced with Exhibit A (“Attachment 11 – Operator Services and Directory Assistance (OS/DA)”).
- 11.0 The Parties agree to add the Remote Call Forwarding rates to the Agreement’s Pricing Schedule with the Pricing Schedule in Exhibit B.
- 12.0 EXCEPT AS MODIFIED HEREIN, ALL OTHER TERMS AND CONDITIONS OF THE UNDERLYING AGREEMENT SHALL REMAIN UNCHANGED AND IN FULL FORCE AND EFFECT.
- 13.0 Notwithstanding anything in the Amendment, the LWC shall terminate in its entirety as to The Southern New England Telephone Company, a Connecticut corporation (“SNET”) and the state of Connecticut, it being understood that nothing herein shall relieve any Party of any liability with respect to obligations incurred or actions taken prior to the Amendment Effective Date. Consistent with this section, the term “AT&T-22STATE” shall no longer include SNET or any AT&T entity within the state of Connecticut.
- 14.0 This Amendment shall not modify the effective date of the underlying Agreement.
- 15.0 AT&T-22STATE will file a copy of the fully executed Amendment with the FCC under 47 U.S.C. § 211. This Amendment is binding upon the Parties as of the date executed by both Parties and the effective date of this Amendment shall be January 1, 2015 (“Amendment Effective Date”).

1.0 Introduction and Scope

1.1 This Attachment sets forth terms and conditions for Operator Services (OS) and Directory Assistance (DA) calls provided as part of LWC by the applicable AT&T-21STATE ILEC. The terms and conditions set forth in this Attachment shall apply to all Services ordered and provisioned pursuant to this Agreement.

1.2 OS and/or DA provided under the Agreement and this Attachment is only available to CARRIER exclusively in conjunction with CARRIER's purchase of LWC and then only as part of a LWCAL (e.g., not for use separately, or with respect to any other offering by AT&T-21STATE). AT&T-21STATE will provide OS and DA at the rates, terms and conditions set forth in this Attachment and the LWC Pricing Schedule.

1.3 CARRIER's LWC End Users shall have the same ability to reach AT&T-21STATE OS and DA platforms as AT&T-21STATE retail End Users served via the same AT&T-21STATE end office switch providing the LWCAL from which the OS/DA call originates, including the following where technically feasible and available:

- (a) Dialing "0" or "0+NPA-NXX-xxxx" and obtaining Operator Services, such as:
 - (i) Operator-assisted dialing
 - (ii) Placing a Collect Call
 - (iii) Placing a "Bill to Third Number" Call
 - (iv) Obtaining a Busy Line Verification
 - (v) Attempting a Busy Line Interrupt
- (b) Dialing "411" or "555-1212" and reaching a Directory Assistance operator for purposes such as
 - (i) Retrieving a Published Telephone Number
 - (ii) DA Call Completion to a Retrieved Telephone Number
 - (iii) National Directory Assistance
 - (iv) Reverse Directory Assistance
 - (v) Business Category Search

1.4 CARRIER's LWC End User OS/DA calls shall be answered by AT&T-21STATE OS and DA platforms with the same priority as AT&T-21STATE retail End Users served via the same AT&T-21STATE end office switch providing the LWCAL from which the OS/DA call originates. Any technical difficulties in reaching the AT&T-21STATE OS/DA platform (e.g., cable cuts in the OS/DA trunks, unusual OS/DA call volumes, labor strikes at the OS/DA call centers, etc.) will be experienced at parity with AT&T-21STATE retail End Users served via that same AT&T-21STATE end office switch.

2.0 Specifics of OS Offering

2.1 Operator Services Rate Structure. Where technically feasible and available, AT&T-21STATE will differentiate its OS charges by whether the CARRIER LWC End User is receiving:

2.1.1 Manual OS call assistance (i.e., provided via a live operator)

2.1.1.1 for which a per work second charge will apply in AT&T-12STATE and in

2.1.1.2 in AT&T SOUTHEAST REGION 9-STATE

2.1.2 Automated OS call assistance (i.e., an OS switch equipment voice recognition feature, functioning either fully or partially without live operators), where a flat rate per call charge will apply.

2.2 Operator Services Call Processing. AT&T will provide OS to CARRIER's End Users where technically feasible and available to AT&T-21STATE retail End Users served, in accordance with OS methods and practices that are in effect at the time the CARRIER's LWC End User makes an OS call. Whether manual or automated, AT&T-21STATE will provide the following services when originating a 0+ or 0- call from a LWCAL, regardless of whether 1-411-dialed DA usage is also requested from that LWCAL:

2.2.1 General Operator Assistance. The individual originating a 0+ or 0- call from a LWCAL asks the operator to provide local and intraLATA dialing assistance for the purposes of completing calls or

requesting information on how to place calls; handling emergency calls, handling credits and handling person-to-person calls.

- 2.2.2 Calling Card. The individual originating a 0+ or 0- call from a LWCAL provides operator with a Calling Card number for billing purposes.
- 2.2.3 Collect. The individual originating a 0+ or 0- call from a LWCAL asks the operator to bill the call to the called number, provided such billing is accepted by the called number.
- 2.2.4 Third Number Billed. The individual originating a 0+ or 0- call from a LWCAL asks the operator to bill the call to a different number than the calling or called number.
- 2.2.5 Busy Line Verification (BLV). A service in which the operator, upon request, will check the requested line for conversation in progress and advise the caller being served via LWC of the status.
- 2.2.6 Busy Line Interrupt (BLI). A service in which the caller asks the operator to interrupt a conversation in progress, to determine if one of the parties is willing to speak to the caller from a LWCAL requesting the interrupt. Busy Line Interrupt service applies even if no conversation is in progress at the time of the interrupt attempt, or when the parties interrupted refuse to terminate the conversation in progress.

3.0 Specifics of DA Offering

- 3.1 Directory Assistance Rate Structure. Where technically feasible and available, AT&T-21STATE will NOT differentiate its DA products by type, and instead will charge for DA products on a flat rate per call.
- 3.2 Directory Assistance Call Processing. AT&T will provide DA Services to CARRIER's End Users where technically feasible and available to AT&T-21STATE retail End Users served in accordance with DA Services methods and practices that are in effect at the time CARRIER's LWC End User makes a DA call. Where technically feasible and available, AT&T-21STATE will provide the following DA Services when CARRIER's LWC End User originates a DA call from a LWCAL, regardless of whether OS is also requested from that LWCAL:
 - 3.2.1 Local Directory Assistance. Consists of providing published name and telephone number to the individual originating a directory assistance call from a LWCAL
 - 3.2.2 Directory Assistance Call Completion (DACC) [also known as "Express Call Completion" (ECC)]. A service in which a local or an intraLATA call to the requested number is completed on behalf of the individual originating the call from a LWCAL, utilizing an automated voice system
 - 3.2.3 National Directory Assistance (NDA). A service whereby callers may request directory assistance information outside their LATA or Home NPA (the geographic numbering plan from which a call originates) for a listed telephone number for residential, business and government accounts throughout the 50 states.
 - 3.2.4 Reverse Directory Assistance (RDA). An information service consisting of providing listed local and national name and address information associated with a telephone number provided by the individual originating the call from a LWCAL.
 - 3.2.5 Business Category Search (BCS). A service in which an individual calling from a LWCAL request business telephone number listings for a specified category of business, when the name of the business is not known. Telephone numbers may be requested for local and national businesses. A maximum of two requested telephone numbers will be provided for each BCS call.

4.0 OS/DA Non-Recurring Charges for Loading Automated Call Greeting (i.e., Brand Announcement), Rates and References

- 4.1 In all current AT&T-21STATE OS/DA switches in AT&T-21STATE service area, the incoming OS/DA call is automatically answered by a pre-recorded greeting loaded into the switch itself.
 - 4.1.1 CARRIER may have a CARRIER-selected brand name or other greeting for calls originating from a LWCAL by providing a pre-recorded announcement to AT&T-21STATE in conformity with the format, length, and other requirements specified for all carriers on the AT&T CLEC Online website. AT&T-

21STATE will then perform all of the loading and testing of the announcement for each applicable switch prior to live traffic. CARRIER may also change its pre-recorded announcement at any time by providing a new pre-recorded announcement in the same manner, for subsequent loading and testing charges.

4.1.2 If CARRIER does not wish to brand the OS/DA calls, CARRIER may also have silence used by having AT&T-21STATE load a recording of silence into the automatic, pre-recorded announcement slot, set for the shortest possible duration allowed by the switch.

4.1.3 AT&T-21STATE makes no warranties or representations that silent announcements will be perceived by End Users as ordinary mechanical handling of OS/DA calls.

4.1.3.1 CARRIER understands that it is not technically feasible to avoid the automatic pre-recorded announcement function in these OS/DA switches, and that if it does not brand the call, CARRIER agrees to indemnify and hold AT&T-21STATE harmless from any regulatory violation, consumer complaint, or other sanction for failing to identify the OS/DA provider to the dialing end user.

4.1.3.2 AT&T-21STATE understands that it must make the silent recording play for the shortest possible duration technically feasible for each applicable switch, and accepts responsibility for any regulatory violation, consumer complaint, or other sanction stemming from failure to do so (e.g., call handling delay), but otherwise it has no responsibility if a silent announcement is chosen by CARRIER.

4.1.4 AT&T-21STATE will be responsible for loading the CARRIER-provided recording or the silent announcement into all applicable OS and/or DA switches prior to live traffic, testing the announcement for sound quality at parity with that provided to AT&T-21STATE retail End Users. CARRIER will be responsible for paying the initial announcement loading charges, and thereafter, the per-call charge (primarily to cover switch maintenance), as well as any subsequent loading charges if a new brand announcement is provided as specified above. Branding load charges are Nonrecurring and are found in LWC Pricing Schedule

4.1.5 In the event the technical makeup of a particular AT&T-21STATE OS switch does not route the incoming call through an automatic pre-recorded announcement, the foregoing subsections do not apply, and CARRIER and AT&T-21STATE agree to make alternative arrangements for OS branding announcements.

4.1.6 Where the phraseology is the same for OS and DA branding, only one branding charge will apply.

4.2 In all current AT&T-21STATE OS/DA switches, the applicable CARRIER-charged retail OS/DA rates and a CARRIER-provided contact number (e.g., a business office or repair call center) are loaded into the system utilized by the OS operator where technically feasible and available.

5.0 General Conditions
