#### **INDEX OF EVENTS:**

01/24/19	Order Entered: 1. Kentucky Power's February 25, 2015 and March 25, 2015 petitions for confidential protection are granted. 2. The designated materials in Kentucky Power's February 25, 2015 petition regarding its response to Item 9 shall not be placed in the public record or made available for public inspection for two years, or until further Orders of this Commission. 3. The designated materials in Kentucky Power's March 25, 2015 petition regarding its response to KIUC's First Request, Item 21 shall not be placed in the public record or made available for public inspection for three years, or until further Orders of this Commission. 4. The designated materials in Kentucky Power's February 25, 2015 petition regarding its response to Staff's Second Request, Item 25 and 26, and in its March 25, 2015 petition regarding its response to Staff's Second Request, Item 8 shall not be placed in the public record or made available for public inspection for five years, or until further Orders of this Commission. 5. The designated materials in Kentucky Power's First Request, Items 14, 17, and 20 shall not be placed in the public record or made available for public inspection for an indefinite period, or until
	further Orders of this Commission. 6. Use of the designated materials in any Commission proceeding
08/11/15	shall be in compliance with 807 KAR 5:001, Section 13(9). Final Order Entered: 1. Outside of the issues addressed in previous Commission Orders for the two year review period, the charges and credits applied by Kentucky Power through the FAC for the period from November 1, 2012, through October 31, 2014, are approved. 2. Kentucky Power's proposed base fuel cost of 27.25 mills per kWh is approved. 3. Kentucky Power shall transfer (roll-out) 1.15 mills per kWh of fuel costs from
	its base rates. 4. The rates in the Appendix to this Order are approved effective with Kentucky Power's
	first billing cycle for October 2015. 5. Beginning with the expense month for October 2015, Kentucky Power shall use an FAC rate based upon a base fuel cost of 27.25 mills per kWh. 6. The PJM billing line items included by Kentucky Power in its FAC calculation are approved, subject to the limitation of power purchase recovery to Kentucky Power's "peaking unit equivalent." 7. Kentucky Power shall make no change to the PJM billing line items included
	in the calculation of its FAC without Commission authorization. 8. Within 20 days of the date of this
	Order, Kentucky Power shall file, using the Commission's electronic Tariff Filing System, its revised tariff sheets with the Commission setting out the rates approved herein and reflecting that they were approved pursuant to this Order.
