**INDEX OF EVENTS:**

08/11/23 Final Order Entered: 1. Lyon District is granted a CPCN to rehabilitate the two water storage tanks, to improve the water line crossing, and to upgrade and replace two sections of water main as set forth in its application. 2. Lyon District shall immediately notify the Commission upon knowledge of any material changes to the projects, including, but not limited to, increase in cost and any significant delays. 3. Any material deviation from the construction approved by this order shall be undertaken only with prior approval of the Commission. 4. Lyon District shall file with the Commission documentation of the total costs of the projects, including the cost of construction and all other capitalized costs, (e.g., engineering, legal, administrative, etc.) within 60 days of the date that construction authorized under this CPCN is substantially completed. Construction costs shall be classified into appropriate plant accounts in accordance with the Uniform System of Accounts for water utilities prescribed by the Commission. 5. Lyon District shall file a copy of the as-built drawings and a certified statement that the construction has been satisfactorily completed in accordance with the contract plans and specifications within 60 days of the substantial completion of the construction certificated herein. 6. Lyon District is authorized to issue the evidences of debt requested subject to the conditions discussed herein.
