Commercial/Industrial Advanced Lighting Program

Purpose

The Commercial & Industrial Advanced Lighting Program is an energy efficiency program to encourage commercial and industrial members of Farmers Rural Electric Cooperative Corporation ("Farmers RECC") to replace existing lighting within their facilities with high efficient fluorescent lamps and ballast.

Availability

This program is available to commercial and industrial facilities located in all service territory served by Farmers RECC.

Eligibility

To qualify for the Commercial & Industrial Advanced Lighting Program the customer must be on a retail commercial or industrial rate. The business must have been in operations for at least two years prior to January 1, 2011, and be current on its power bill payment to the Farmers RECC. No empty buildings, inactive warehouses, or inactive storage areas shall qualify. The business must be open or have its normal lighting load on for at least 50 hours per week. Retrofits of parking lot lighting, provided on photocell control, are eligible.

Rebate

Farmers RECC will provide an incentive to the member of \$213 for each kW of lighting load reduction for businesses open 50 hours a week or more. For commercial customers, rebates are limited to \$6,000 per upgrade for any facility. For industrial customers, rebates are limited to \$12,000 per upgrade for any facility.

Term

The Commercial & Industrial Advanced Lighting Program is an ongoing program contingent upon our wholesale power supplier East Kentucky Power Cooperative being an active participant in the program.

Verification Procedure

Qualifying lighting must be identified or documented by Farmers RECC personnel prior to retrofitting. After the customer completes the retrofit, Farmers RECC personnel must verify the installed lighting retrofit. Demand and energy savings will be calculated based on lighting information gathered during the visits. Farmers' will utilize the manufacturer's lighting fixture specifications and known measurements to calculate the savings; rebates under this tariff will be paid after these verification procedures are complete.
