CLASSIFICATION OF SERVICE

OUTDOOR LIGHTING SERVICE-SECURITY LIGHTS

SCHEDULE OL

3. The lighting equipment shall remain the property of the Cooperative. The Consumer shall protect the lighting equipment from deliberate damage.

4. The Cooperative shall maintain the lighting equipment including the lamp replacement at no additional cost to the Consumer within a reasonable time after the Consumer notifies the Cooperative for the need of maintenance, except that in case of lamp or fixture damage because of vandalism, replacement may be made only once at no cost to the Consumer. After that, the Consumer may be required to pay for the cost of the replacement.

5. The Consumer shall allow authorized representatives of the Cooperative to enter upon the Consumer's premises to trim trees and shrubs as necessary for maintenance of the lighting equipment and for removal of lighting equipment upon termination of service under this schedule.

6. All rental will be billed as a separate item on the Consumer's electric service bill and revenues derived will be recorded under the revenue account for which the Consumer is receiving his electric service. The billing period shall be the same as it is for the electric service.

7. The Cooperative will maintain existing sodium directional floods and install sodium fixtures in existing lighting (T) configurations. All newly installed directional floods will utilize other types of lighting options equal to the usage and (T) illuminations of the metal halide or mercury vapor directional flood.  
(T)

8. The Cooperative may request the execution of an agreement for service under this schedule for a period of not less than one year.

9. Directional flood lights shall not be installed in such a manner that would interfere with motorists operating on a public road, or on a neighbors property.
