Re: In the Matter of 2nd Century Communications, Inc.'s Relinquishment of Certification of Operating Authority to Provide Telecommunications Services.

Dear Sir/Madame:

2nd Century Communications, Inc. ("2nd Century") hereby notifies the Public Service Commission of Kentucky that it relinquishes its certificate of operating authority to provide telecommunications services.

Although 2nd Century was granted authority to provide local exchange and interexchange services, it never actually commenced the provision of voice and data services to any customers in this state. Due to inadequate revenues and financing, 2nd Century was forced, in June of this year, to file for bankruptcy and is winding down its operations through a Chapter 11 filing.

Because 2nd Century *did not* commence providing any telecommunications services, it need not provide notice of discontinuance of service to any customers in this state.
