**Re: Notice Regarding the Transfer of Control of American Broadband, Inc. dba
United Network Services to Global Telecom & Technology Americas, Inc.**

Dear Mr. Derouen:

Global Telecom & Technology Americas, Inc. ("GTT Americas"), through its undersigned counsel, hereby notifies the Commission of a transaction whereby GTT Americas acquired control of American Broadband, Inc. dba United Network Services ("UNSI"), an entity authorized to provide long distance service in Kentucky and assigned Utility ID 22205468.

Pursuant to an Agreement and Plan of Merger, UNSI was merged with and into a wholly owned subsidiary of GTT Americas, with UNSI surviving the merger. This change in control of UNSI did not involve a transfer of its operating authority, assets or customers. UNSI continues to exist and offer the same services, rates, terms and conditions to its customers following the transaction.

An original and four (4) copies of this letter are enclosed for filing for informational purposes only to ensure the continuing accuracy of the Commission's records. Please date-stamp the extra copy and return it in the envelope provided. If there are any questions regarding this matter, please feel free to contact the undersigned.
