Re: Cancellation of Cable & Wireless Global Card Services CPCN and Tariff

Dear Mr. Dorman:

Cable & Wireless Global Card Services ("GCS") hereby submits this letter requesting that it's Certificate of Public Convenience and Necessity ("CPCN") be cancelled along with the existing tariff on file at the Commission.

GCS has restructured its business plan, which will no longer include the prepaid or the post paid calling card market. GCS has no existing customers on these services and has generated no revenue for over a year within this market.

Enclosed is a copy of this letter. Please date stamp the letter and return it to me in the enclosed self-addressed stamped envelope. Should any questions arise regarding this request, please contact me at the number referenced below.

Sincerely,

Etta L. Wolfe
