Re: Administrative Case No. 370 / Notice of Service

Dear Mr. Dorman:

In accordance with Administrative Case No. 370, Cricket Communications, Inc. notifies the Commission that it will provide wireless service to subscribers in Kentucky. Currently, our Nashville, Tennessee footprint overlaps into a very small portion of Kentucky. We are, however, high bidders on licenses for the Louisville and Lexington BTAs in the FCC's recently ended auction so we may expand our service in Kentucky in the future.
