RE: Notification of Change in Ownership
Operator Service Company, LLC

Dear Ms. Kirtley:

Enclosed for filing please find the original and three (3) copies of the Notification of Change in Ownership submitted on behalf of Operator Service Company, LLC ("OSC"). The stock of OSC has been acquired by INFONXX, Inc. OSC will continue to operate as a separate, wholly owned subsidiary of INFONXX, Inc. Details of this transaction are attached for the Commission's files. No changes to rates, terms or conditions of service are contemplated as a result of this transaction.

Please acknowledge receipt of this filing by date stamping the extra copy of this cover letter and returning it in the self-addressed, stamped envelope enclosed for this purpose.

Any questions you may have regarding this filing may be directed to my attention at (407) 740-3004 or via email to rnorton@tminc.com. Thank you for your assistance.

Sincerely,

Robin Norton, Consultant to
Operator Service Company, LLC

PUBLIC SERVICE
COMMISSION

OPERATOR SERVICE COMPANY, LLC

NOTICE OF OWNERSHIP CHANGE

Operator Service Company, LLC, a Delaware limited liability company ("OSC"), provides notice of a transfer of equity interest transaction between its parent companies, BC Holding III Corporation, a Delaware corporation ("BC Holdings") and Onslow Holdings, LLC, a California limited liability company ("Onslow") (together "Sellers"), and INFONXX, Inc., a Delaware corporation. ("Buyer") As a result of the consummation of this transaction, OSC is now a wholly-owned subsidiary of Buyer, but will continue to operate as a separate entity. OSC is currently certificated to provide intrastate interexchange telecommunications services in Kentucky and will retain its status as a telecommunications services provider in Kentucky.

I. THE COMPANY ACQUIRING OSC

INFONXX, Inc. ("INFONXX" or "Buyer") is a privately held company incorporated in Delaware, which is headquartered in Bethlehem, Pennsylvania. INFONXX is currently the leading wholesale provider of directory assistance services (including enhanced services) to the wireless industry, and also provides wholesale directory assistance services to corporate customers and competitive local exchange carriers (CLECs). INFONXX also supplies wholesale directory assistance services in the United Kingdom, and recently entered the market in France and Italy. INFONXX operates call centers in Arizona, California, North Carolina, and Texas.

Since its founding in 1992, INFONXX has grown from three employees to more than 6,000 U.S. employees. INFONXX has pioneered many enhanced directory assistance services such as call completion (i.e., service that connects the caller directly to the number) and listings for information in addition to telephone numbers including local theaters, restaurant reservations, and driving directions.

A copy of Buyer's Certificate of Incorporation is included as Exhibit 1. Buyer is not a certificated entity in the State of Kentucky and has not registered to do business in Kentucky as a foreign entity. Buyer has no plans to operate directly in Kentucky as a telecommunications services provider.

I. DESCRIPTION OF TRANSACTION

On August 30, 2006, Sellers entered into a purchase agreement by which Buyer purchased all ownership interests in OSC in return for a cash payment to BC Holdings and Onslow and a full repayment of

OSC's bank debt. Prior to this transaction, BC Holding held a 51% ownership interest in OSC, whereas Onslow held a 49% ownership interest. Buyer now owns 100% of OSC's equity and has assigned or will assign OSC to its wholly-owned subsidiary, INFONXX Operating Company.

III. CUSTOMER IMPACT

OSC remains a separate certificated company in the State of Kentucky. This transaction has no effect on the rates or terms and conditions of service. The toll free telephone number for customer service will remain the same: 800-658-6041.

IV. PUBLIC INTEREST CONSIDERATIONS

The transfer of ownership of OSC to Buyer will serve the public interest. Buyer's experience and success in the directory assistance and enhanced services markets make it particularly well qualified to operate OSC's business. Indeed, the transaction will be largely transparent to OSC's customers and will not have an adverse effect on them. These customers will continue to enjoy similar services, rates, and quality that OSC currently provides.

The change in ownership of OSC will increase competitive choice for consumers by bringing together companies that possess singular experience and strategic vision in the telecommunications and enhanced services spheres. The directory assistance market is a competitive one in which numerous independent providers like Buyer compete against larger ILECs, including the RBOCs. In this respect, Buyer's purchase of OSC will increase its ability to provide meaningful competition against larger providers through greater efficiencies and economies of scale. This increased competitive power in turn will give rise to better prices, higher service quality, and increased innovation.
