Re: Vectris Telecom, Inc.

Dear Mr. Huelsman:

On July 12, 2000, Vectris filed its application to provide facilities-based and resold local exchange and interexchange services in the Commonwealth of Kentucky. To date, Vectris has not provided any such services and has no customers in the Commonwealth of Kentucky. This is to notify you that Vectris will not commence operations in Kentucky and therefore respectfully relinquishes its authority to offer service.

If you have any questions regarding this matter, please contact counsel for Vectris, Dean Ferguson, of the firm Munsch Hardt Kopf & Harr, P.C., at 214-855-7585.

Sincerely,

M.C. Arendes, Jr.
